(time and place of birth:, passport or ID number:), who is responsible as a parent for the under age person

..... (time and place of birth:, passport or ID number:),

I approve the contract signed between my child and Festival Travel International Ltd. (from now Travel Agency). Beside this I approved the contract as I got to know the general terms and conditions.

I approve that I am responsible for the actions and behavior of my child during the trip between and, organized by the Festival Travel International Ltd.

I assume with my signature that I will not have any claims towards the Travel Agency any more.

Furthermore I assert, that if I did not effect the accident-, illness-, and luggage insurance through the Travel Agency, I will take care of it, knowing that the travel agents do not consider the International EU social insurance, and the complementary insurance effected with the credit card enough. I take cognizance that nobody is allowed to attend without accident-, illness-, and luggage insurance.

Signing this declaration means that I accede that my child travels abroad to the festival organized by the Travel Agency.
